

swaamtech
where quality matters

PROFILE | PORTFOLIO

Company Profile

With globalization and cut-throat competition, it has become inescapable to consider and search for cost-effective outsourcing solutions. We are a team of enthusiastic professionals having the knowledge and skills to deliver solutions that will meet your needs and budget.

The company highlights include **50+ years of combined IT experience**, highly qualified and certified staff, global exposure, and state-of-the-art facilities.

For online businesses and clients looking to use modern technologies to promote their business, we can provide best tailored solutions. For more than five years, we've helped several clients with industries like: HealthCare, Trading and Finance, Automotive Industry, Real Estate, Event Management, eCommerce, Hotels and, Restaurants, Entertainment.

Team

SwaamTech is a team of veteran designers and developers having a combine experience of more than 50 years.

Story

SwaamTech is proud of our culture and values, which encourages us to adapt new technologies and ever-changing web and mobile environments.

Culture

Founded in 2009, SwaamTech started off as a service providing business, focused on programming and designing projects.

Our Services

We are the best At what we do & we want the same for you

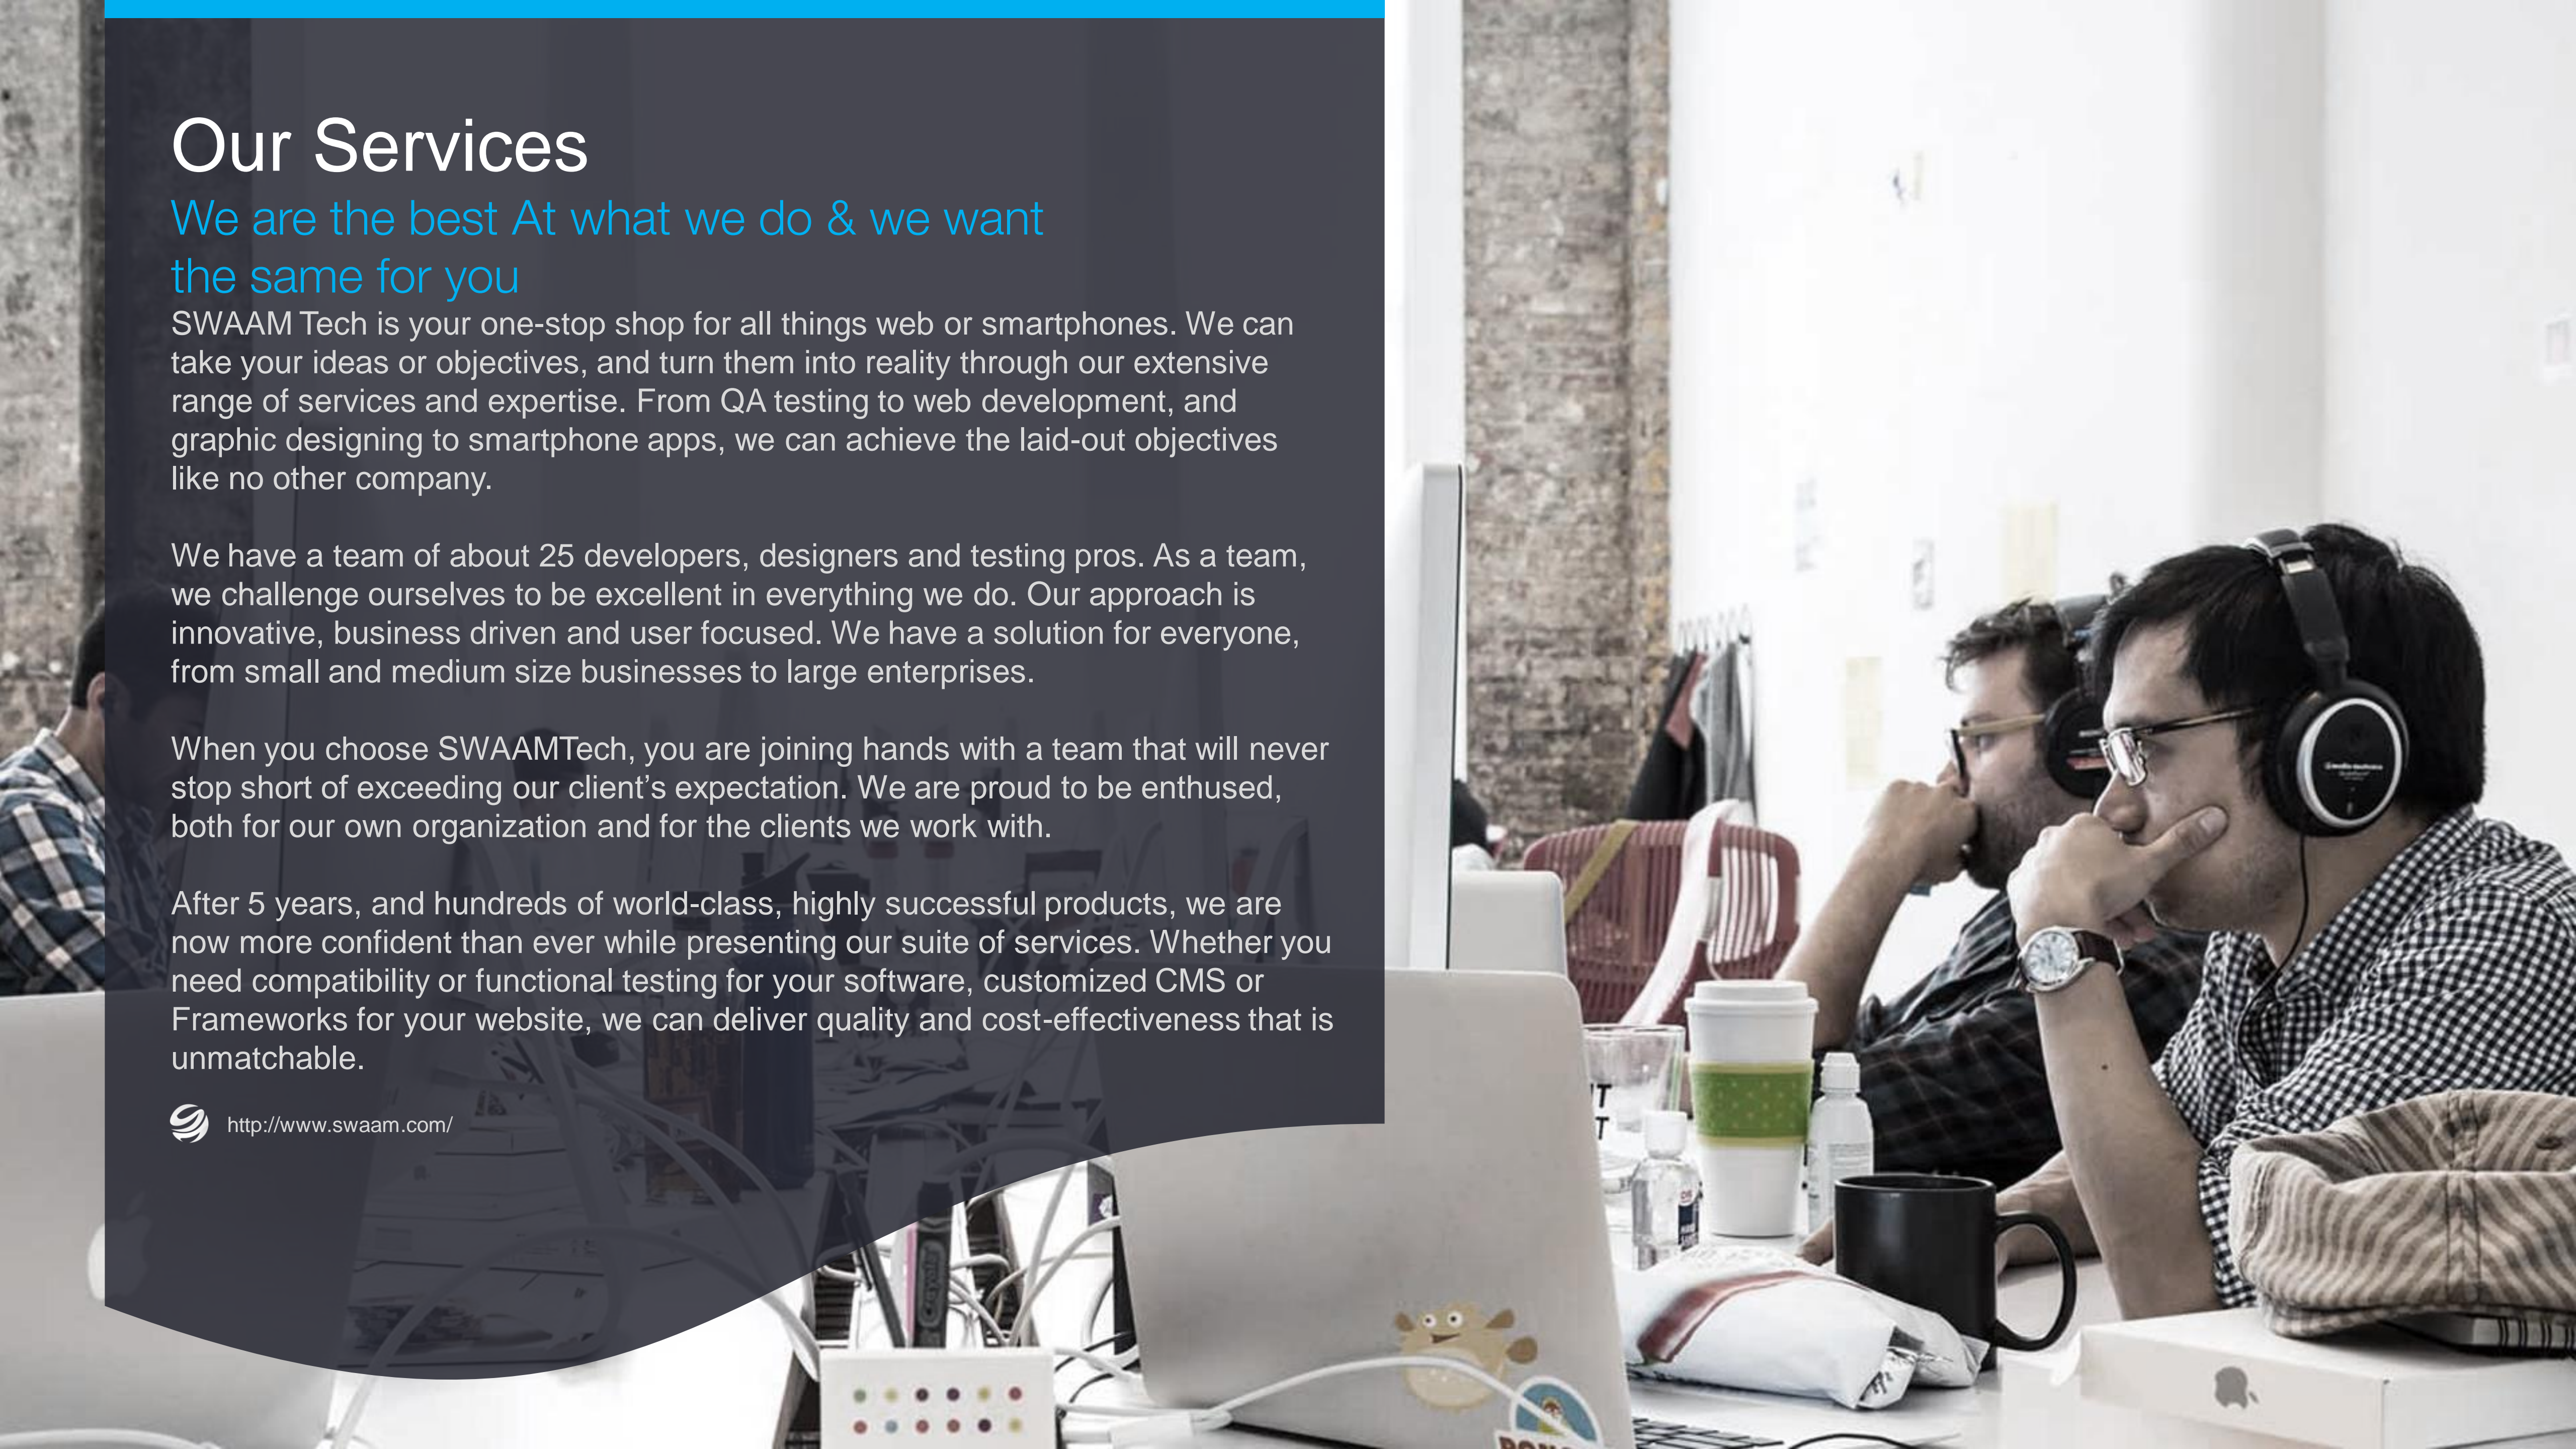

SWAAM Tech is your one-stop shop for all things web or smartphones. We can take your ideas or objectives, and turn them into reality through our extensive range of services and expertise. From QA testing to web development, and graphic designing to smartphone apps, we can achieve the laid-out objectives like no other company.

We have a team of about 25 developers, designers and testing pros. As a team, we challenge ourselves to be excellent in everything we do. Our approach is innovative, business driven and user focused. We have a solution for everyone, from small and medium size businesses to large enterprises.

When you choose SWAAMTech, you are joining hands with a team that will never stop short of exceeding our client's expectation. We are proud to be enthused, both for our own organization and for the clients we work with.

After 5 years, and hundreds of world-class, highly successful products, we are now more confident than ever while presenting our suite of services. Whether you need compatibility or functional testing for your software, customized CMS or Frameworks for your website, we can deliver quality and cost-effectiveness that is unmatched.

here are nearly 2 billion Muslims in the world - as in 2 million people a thousand times over. That's a lot of people!

Yet if you look at the most popular businesses, movies, books, etc., how many come from Muslims? Sadly few to none.

Is it possible that Muslims just aren't capable of being creative & entrepreneurial? - See more at:

NEW ZEALAND

LDV has established itself as one of Europe's most recognised commercial vehicle brands and has a footprint throughout the world.

LDV, Shanghai Automotive (SAIC), is China's largest automotive company, and one of the largest in the world. In 2012, SAIC recorded sales of 4.5m vehicles and was listed as the 6th largest in the world.

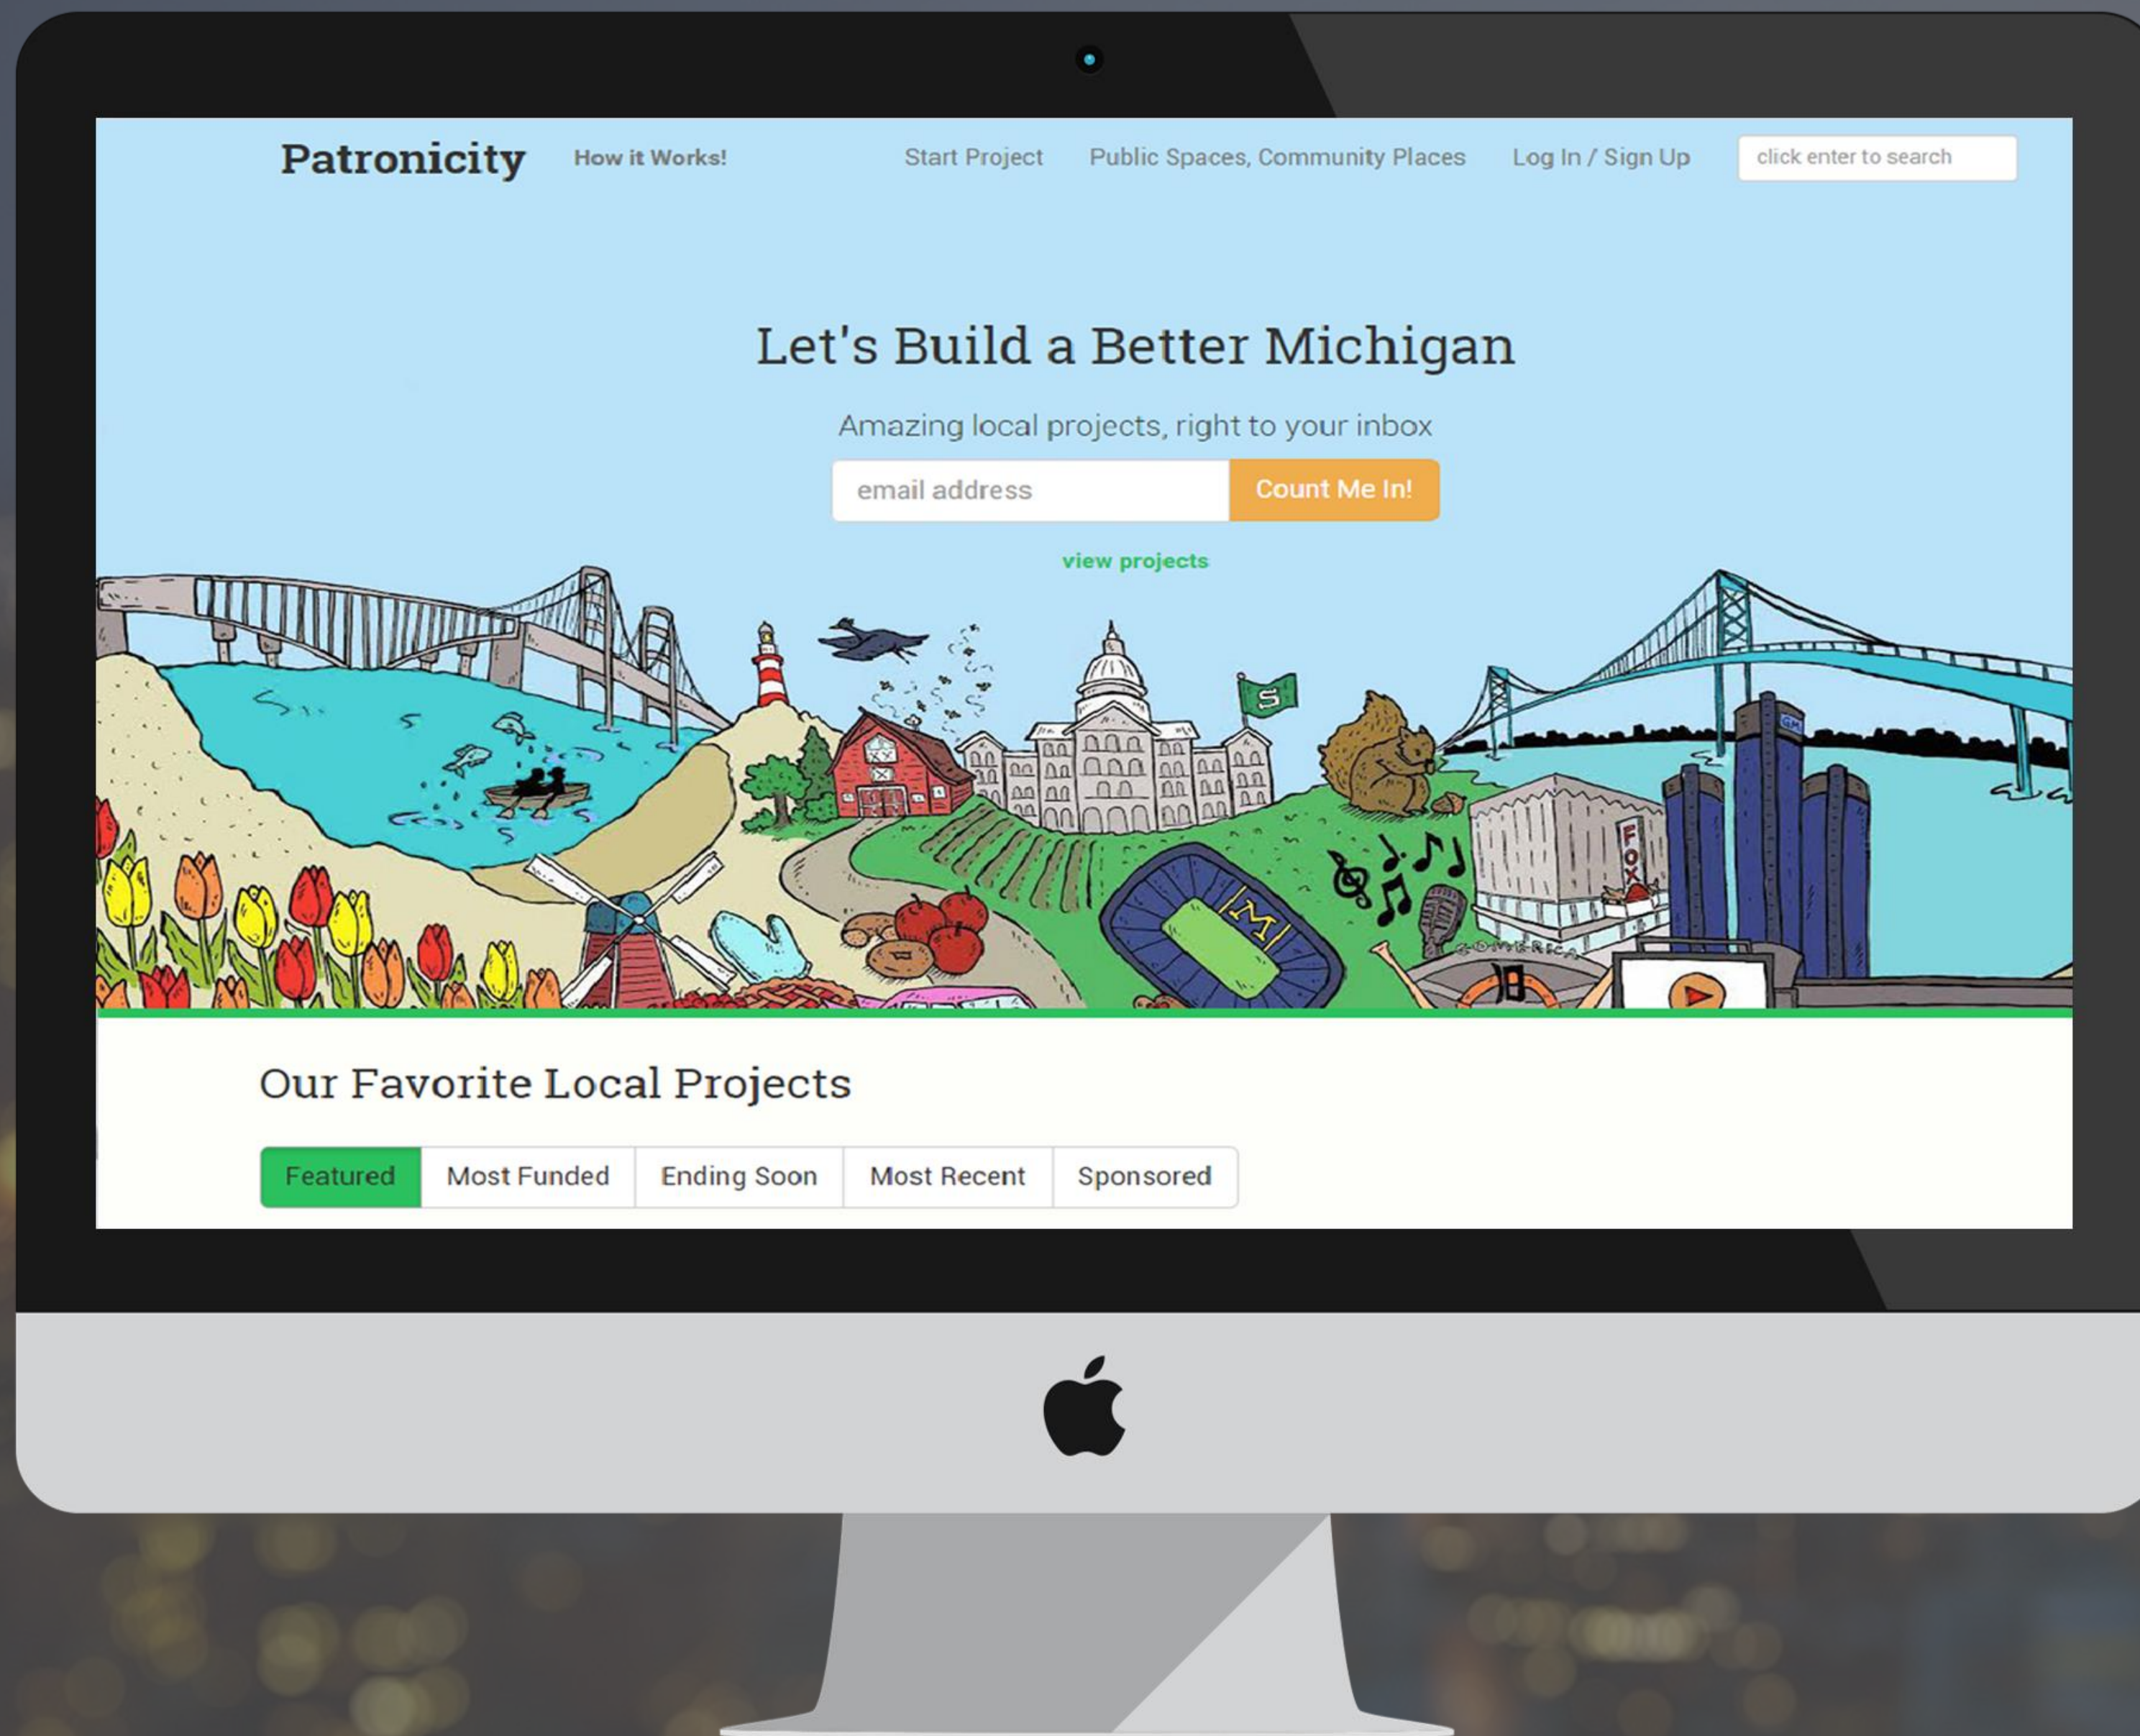

The century old British LDV Group, including its designs, IP, technology and production lines, which form the new global platform now available in New Zealand.

Due to its numerous European awards, it is the vehicle of choice for the British government for use by the Prime Minister and as travel vehicles for the British Royal family.

LDV's current operations include the United Kingdom, Europe, Japan, Australia and now NZ. LDV has joint venture operations with some of the largest automotive companies, including Volkswagen and

Mobile App Development

After 5 years, and hundreds of world-class, highly successful products, we are now more confident than ever while presenting our suite of services.

LLC

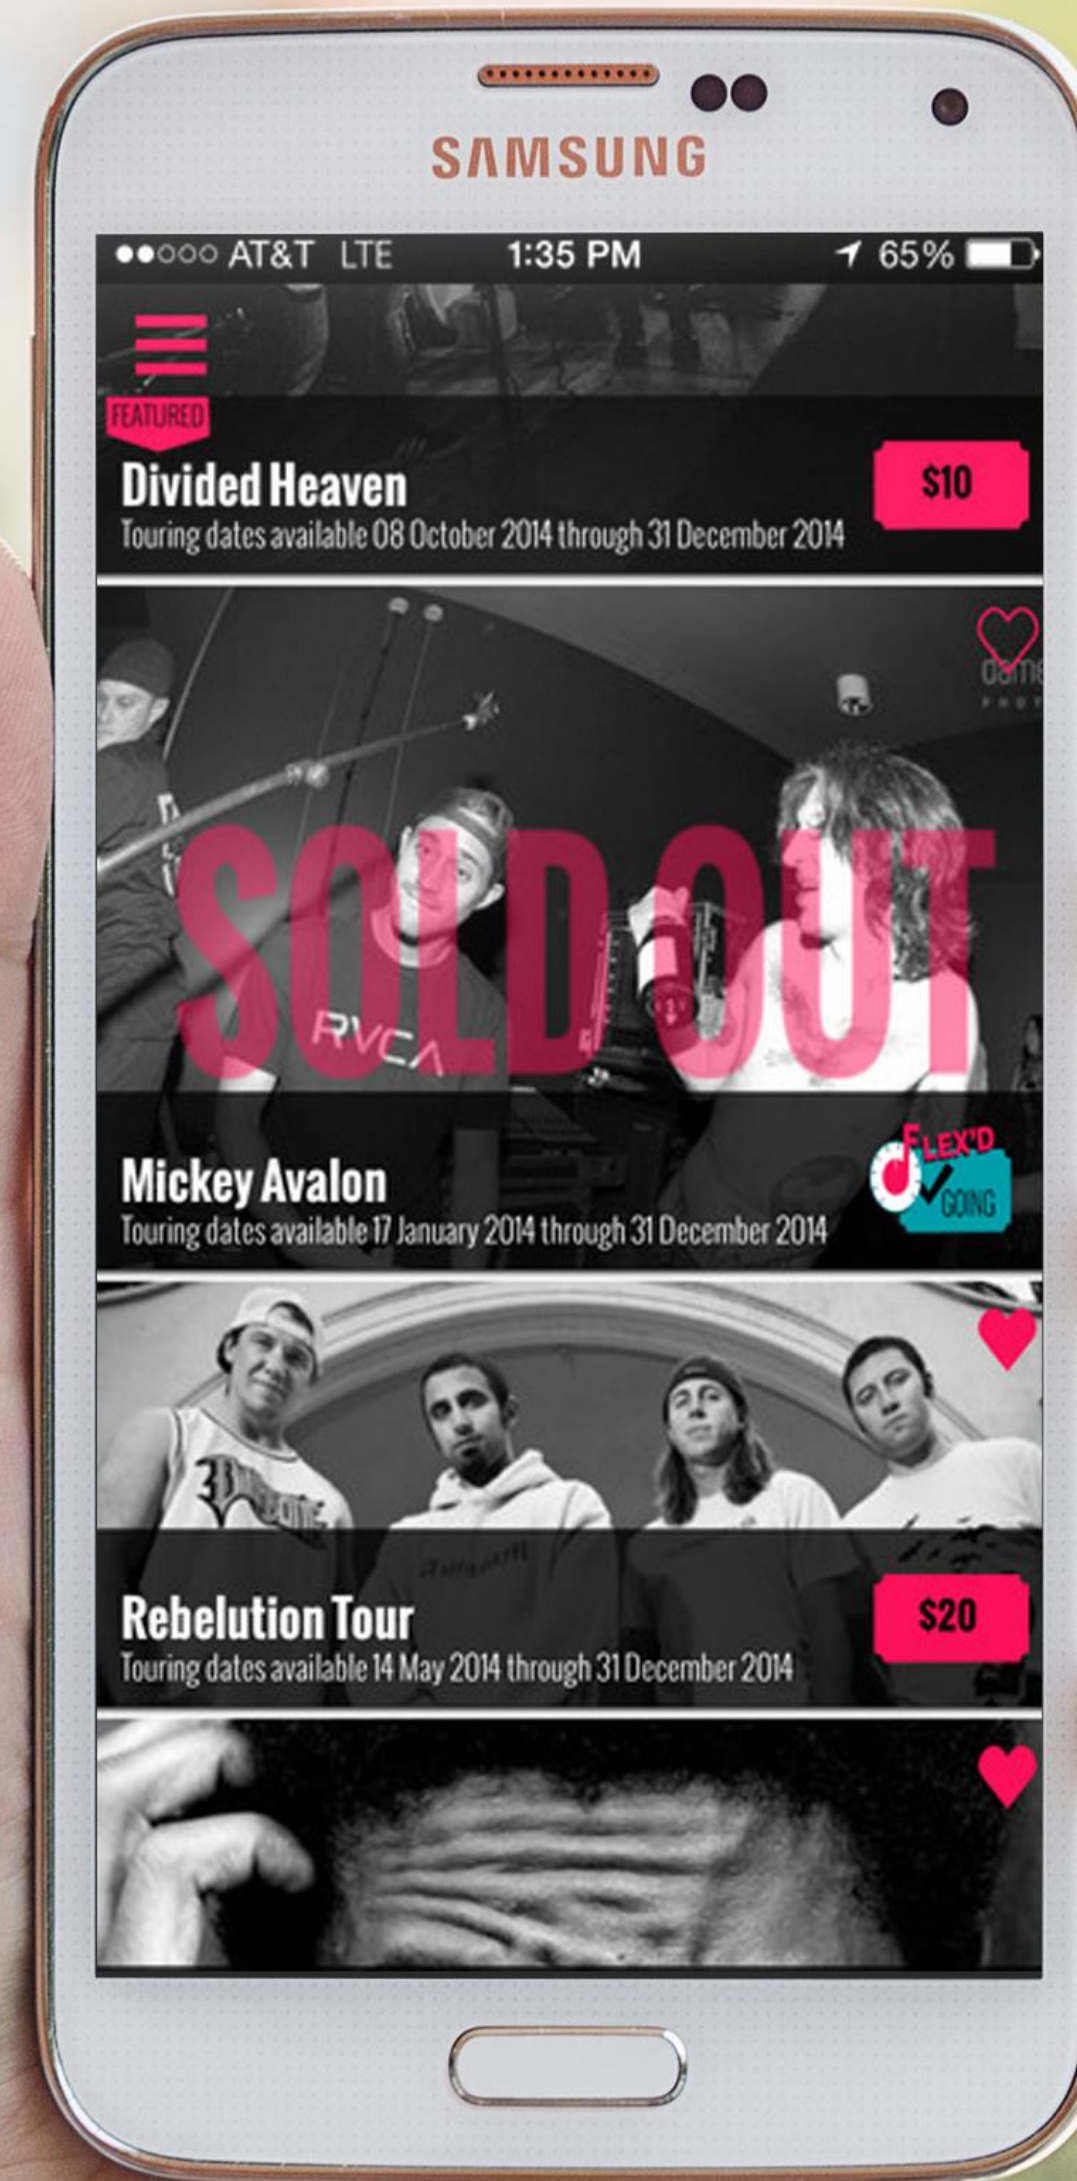

FanFlex is a new and completely FREE mobile app created to bring bands and fans together.

- Where bands meet demand. Live.
- A new crowdfunding platform.
- Fans make the difference.
- All in the palm of your hand.

Bands: Maximize income by efficiently selling tickets, merchandise, and premiums.

Fans: Tell your favorite acts where and when to play their next show.

Venues: Open your doors to more profitable shows and never go dark.

URGENT CALL

In case of an emergency, people most important to you can contact you regardless of your location or phone setting. You get your own emergency phone number.

"MY FATHER HAD a HEART ATTACK and I MISSED THE CALL"(Shary Nassimi, inventor of UC). Never miss an important call from your loved ones again.

With UrgentCall, in the event of a true emergency, your phone will never stop ringing until you get the call, no matter what the setting of it is. You will get the call even if there was no service or you had a dead battery.

PT PAL

PT PAL is your digital coach. It stores your physical therapy exercises, helps keep you on schedule and reminds you how the exercises are done. You can read, relax or just chill while doing your exercises because you don't need to count the seconds or remember the number of reps anymore. It also features calendar alerts so you don't forget when to do each of your exercises. PT PAL does it all for you.
